WHO WE ARE

Jacks Bagels is a **proudly South African bagel** brand that began its journey in Main Road, Walmer, with the vision of **its co-owners, John and J-Lee** developing the Jacks Bagels brand into the franchise it is today. Jacks Bagels is the **first bagel-centered franchise in South Africa** – and it became THE new trend. Everyone wants a Jacks Bagel!

Our journey began with a desire to infuse South African taste and culture into the traditional New York-style bagel. What emerged is the artisanal Jacks Bagel: A chewy crust with dense but soft inner-baked goodness. It's our unique take on a classic, and our customers can't get enough.

As one of South Africa's Quick Service Food Franchises, Jacks Bagels has earned a reputation for offering a full range of **top-quality, fresh products** with exceptional care to our amazing customers.
